RIFCU the definition of 5-Star Excellence

We're proud to have been recognized by independent auditors of Bauer Financial as a 5-Star Credit Union in June 2021. We've always strived to exceed regulatory expectations to ensure RIFCU remains a safe and sound credit union.

Wait, You Offer That?

Mobile Wallets

Mobile Wallets allow you to add your Railroad debit/credit card to your mobile phone. This means you can pay without swiping or inserting your card!

Our cards can be added to Apple Pay, Android Pay, and Samsung Pay! Simply open the app on your phone, select your Railroad card, and hold your mobile device near the payment terminal!

Your actual card number is never shared with the terminal, instead, the Mobile Wallet creates a random series of numbers, called a Token, to transmit payment. This means Mobile Wallets are a safe & secure payment option!
