Business Partner Spotlight

MOSI began in 1962 when Hillsborough County first approved funding for a youth museum in Sulphur Springs. In 1976, the Hillsborough County Museum's advisory committee and staff started construction on a new museum in North Tampa that was to become the Museum of Science & Industry. The museum was completed in 1980 and permanently opened to the public on January 23, 1982.

Mosi has been a SEG partner with Trax for over 14 years. We have attended and sponsored a number of events, as recently as March 2023. We have a great relationship and appreciate the partnership.

Hi Tamara,

“Hi, Tamara! How lucky are we to have you AND your husband as a member? We sincerely appreciate your loyalty and promise to keep providing you with the service you deserve!”
