Our New Website is Coming Soon!

We're excited to announce that our brand-new website is launching soon! Our redesigned TraxCU.com website will feature:

- A **fresh, modern** look
- **Easier** navigation
- **Faster** access to products and services
- **Improved** financial resources

Don't worry! Your Online Banking username, password, and accounts will **remain the same**. No changes are needed on your end. We can't wait for you to explore our new website! Stay tuned for more information coming soon!

Stay 3 Steps Ahead of Scammers

1. **Pause.** Don't react under pressure, even if you feel rushed. Scammers often use urgency to get you to act.
 2. **Check.** Verify any requests by contacting customer service directly. Use official channels such as a company's website or an account statement for information.
 3. **Protect.** Keep your account number, PIN, and login information secure. Never give out verification numbers. You can also set up alerts to monitor account activity.

Business Partner Spotlight

**HILLSBOROUGH
COLLEGE**

Hillsborough College -
Southshore Campus

Hillsborough College, founded in 1968, is now the fifth-largest community college in Florida's State College System, serving over 46,000 students annually across five campuses, three satellite locations, and online. The Southshore Campus has around 10,000 students and provides 24 programs, 23 services, and numerous resources. They offer a variety of programs, including Lennard Collegiate Prep, EMT, Paramedic, and Nursing, and are proud to be a LEED Gold-certified green campus.

Their students have given back to the community through Southshore's spirit of volunteerism and service. Southshore student leaders, students involved in Student Government or Clubs, support all of Southshore's community partners, including the Calvary Cupboard Food Pantry, the Apollo Beach Garden Club, the Firehouse Cultural Center, and the Nearly New Thrift Store. On campus, the Southshore Student Government Association holds numerous large-scale events which provide the student body with entertainment, resources, and practical goods.

The Southshore Campus continues to grow with the greater Ruskin-Southshore community. Southshore is currently raising funds to construct the Dickman Workforce Training Building, which will expand the Southshore campus to include more communal areas for students, increase classroom capacity, and serve even more members of the community.
